

## TO WHOMSOEVER IT MAY CONCERN

“As on 19<sup>th</sup> June 2020, Toyota Financial Services India Ltd (TFSIN) confirms that, one employee based in Gurgaon has tested positive for COVID-19. The said individual is currently quarantined and is under the observation of doctors. As per the information available with us he was not attending office since 11<sup>th</sup> June 2020 and has not come in contact with any the other TFSIN employees, customers and other members, thereby containing the risk of the infection being spread.

Besides, the first confirmed case at TFSIN in Mumbai as on May 31, 2020, has recovered well. His subsequent tests have come negative and is under an additional seven days’ of home quarantine as advised by doctors.

Under the guidance and support of the national and local authorities, TFSIN is taking immediate and comprehensive actions necessary to prevent any further spread and are also taking adequate internal precautions based on our own guidelines and standards of care. To keep the premises of all TFSIN offices safe across the country, we have increased the frequency of sanitization and disinfecting of all the company premises as well as all touchpoints. We would like to refrain from sharing further information as it’s associated with identifying any individual and data privacy. TFSIN will ensure that all its services are completely safe. We will continue to monitor the situation and take necessary measures to safeguard wellbeing and maintain health and safety of all stakeholders.”
